

Join our team

Are you an experienced Demand Planning Manager with a background in FMCG? Do you have experience leading a Demand planning function within a multi-national organisation? Are you competent with SAP and Manugistics?

If the answer is yes - then look no further. Church & Dwight UK Ltd have an exciting opportunity for a Demand Planning Manager to join our team based in Folkestone, Kent, on a permanent basis.

This role is responsible for leading the Demand Planning function, working closely with stakeholders to manage the forecasting for all Church & Dwight products within our UK market as well as selected Church & Dwight Export and Intercompany markets. The Demand Planning Manager manages a team of three, consisting of 2 Demand Planners based in Folkestone, Kent, and one based in Singapore

Key responsibilities include:

- Establishing demand and forecasting processes to connect and align all areas for UK sourced products for UK Domestic, Export and Intercompany
- Delivering the 18-month forecast for these areas
- Intelligently challenging sales forecasts where significant changes have occurred and explaining their reason for changing.
- Alerting Supply Chain on anticipated demand changes likely to be of an exceptional nature.
- Developing the use of Manugistics in line with developing Business needs.
- Helping the organisation develop and continuously improve its S&OP process

Due to the cross functional nature of this role, the ideal candidate will be an excellent communicator, able to work with and through people to achieve results in a logical and systematic way. They will have the ability to influence and motivate direct reports, peers and stakeholders to improve ways of working and deliver continuous improvement. Line management experience is desirable and the ideal candidate will have a participative approach, focusing on coaching direct reports to achieve their potential.

From a technical perspective, we are ideally seeking a candidate with a background in FMCG or a similar industry and experience of using SAP and Manugistics.

We offer a competitive benefits packaging, including 24 days annual leave, a Health cash plan from Health Shield and a pension scheme that matches contributions up to 9%.

This is a great opportunity to work with recognisable global brands and shape their future. Sounds interesting? Send us your CV confirming your salary expectations and let's talk! HRDepartment.UK@Churchdwright.com
